I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

III. STATEMENT OF CLAIMPlace(s) of occurrence: New York, Brooklyn, BronxDate(s) of occurrence: 2 years — Present (1/31/20).**FACTS:**

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

I am constantly under attack by the defendants.
I am holding the defendants accountable for being driven
by hate, jealousy and greed to commit a wrongful
act of financially wiping out my account.

I kept hearing the defendants saying "what's
your name, what's your name - kill her."

In light of that and an unfolding scene at about 9:10pm
last night I'll light all those candles I said I would
another time (3 weeks).

On train car #6316 a woman I view as a
"murderer" came to do an abortion on me. She said
let me dip my hands in that water their - how many
is there one?"

The "undertakers" about four of them were on board too.

I heard "what did I asked you?" "You open doors." I knew both of their mission and shouted one phrase of thunder fire - they all got up and ran. One of them had said "She's gonna take back her stuff now". The woman wore a jeans outfit high boots and peepers.

It appears to me that specific defendant is in unison with the death of my unborn. At 6:42am a man passed by with DIE written on his sleeve. He exited John Street from the Fulton Center. →

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Pain, suffering, hunger. Diminishing vision, hearing and memory. Shock and disbelief. Shattered thorax, stitched inner lip. Various sexual assault. Shoulder out of socket. Exposure to the elements. Unhealthy eating - no stove. Hygiene diminishing because of pressure being applied to use the rest-rooms.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to order the defendants compensate me for all wrongful actions and restore what was stolen.

I would like to ask the court to order the defendants give me my keys to my luxurious home.

FACT 2

It appears to me the defendants are targetting me. I felt ambushed by three ~~of~~ from NYPD officers last night on the W.T.C platform. I stopped for a brief while and told them so. It appeared to me NYPD strategically stalked me and emerged from the corner of Oculus just as I was about to enter the corner.

NYPD did not come there to give me a lollipop. That made me uncomfortable - their move and their presence. When they come around most citizens are suppose to feel safe. They are there to protect and serve, not the opposite. Once again I am holding NYPD accountable for stalking with the intentions to financially deplete me.

Business people are sending me important information but the way it is presently coming over/across is cut-off/unfinished. My receptor has been badly damaged by a blow I received to my temple on the train-tracks.

I kept saying it was the two (2) botched MRTS tampering the defendants did to me about 2 years ago. Yesterday I was reminded via vision it is the blow track blow incident taking up invasion. This week is the brain-child of MTA/HRA. It is very frustrating for me because this is the way the defendants/court mostly communicates. Hence the reason I said the court should let the public know about their way of ^{communication} com-

I physically see a well-known company wiggling its way into my judicial issues to join the band wagon. Their motive free relief piggy-backing. Heads up when they "emerge" deal with them harshly. There are too many companies doing unscrupulous business with the defendants.

FACT 3

I still have not received my other half of benefit cash from HRA. I am on the verge of starvation. HRA is not only starving me by with-holding my cash but my "unborn." I would like to ask the court to order HRA to release the other half of cash assistance so my "unborn" child and myself can eat not starve to death.

I am holding the defendants accountable for STARVATION of my unborn and myself which can lead to death while blocking up most of my path. Those paths are soup kitchens and pantries. See the dilemma.

PS A Squad of NYPD officers showed up in city hall park where I sat writing my order this morning. About five left and two stayed back. When the five were leaving I said to the "supervisor" I know you came to get under my skin. They are harassing me by continuously being in my presence for/to provoke me and steal from me.
